

# About Aayushmaan Hooda — Structured Profile for RAG

This document is a structured 'About Me' profile for Retrieval-Augmented Generation (RAG) systems. It contains canonical facts, a narrative timeline, and a small Q&A section to improve recall. If your chatbot cannot answer from this knowledge, use the fallback message in the Guardrails section.

# Identity

## Identity

- Full Name: Aayushmaan Hooda
- Nickname(s): Pallove
- Name Origin: Chosen by bua (Kavita/Kavit) and mother
- Birth: 1999-08-30 in Rohtak, Haryana, India

# Life & Education Timeline

## Life & Education Timeline

- Primary School: Scholars Rosary (Rohtak) — up to Class 3
- Boarding: Durga Public School, Solan — started with cricket; switched to table tennis in Grade 7
- Grade 10: Played national-level table tennis; scored 74% in Class 10
- Grade 12: Silver Oak School (Rohtak) — scored 75%
- Bachelor's: MDU Rohtak — Bachelors in Computer Science (IT), 67%
- Work: Annalect India — Backend Developer (~2 years), Flask + PostgreSQL + REST APIs
- Certification: AWS Cloud Practitioner (see resume for link)
- Masters: UNSW Sydney — Master of IT (2023-09 to 2025-09)
- Current Focus: Generative AI, RAG, LangChain/LangGraph, vector search

# **Sports Achievements**

Sports Achievements (Table Tennis)

- Solan District #1 (Winner) — 2016
- 3rd rank in CBSE Cluster
- 2 national-level appearances

# Professional Experience

## Professional Experience

- Company: Annalect India
- Role: Backend Developer (approx. 2 years)
- Stack: Flask, PostgreSQL, REST APIs
- Highlights: Contributed across backend services; shipped and maintained APIs

# **Academics Summary**

## Academics Summary

- Class 10: 74%
- Class 12: 75%
- Bachelors (MDU, CS/IT): 67%
- Masters (UNSW, IT): 2023-09 to 2025-09

# Certifications & References

## Certifications & References

- AWS Cloud Practitioner — Completed. Verification link(s) in resume.
- Resume — canonical source for skills and certificate URLs.

# Current Focus & Skills Direction

## Current Focus & Skills Direction

- Generative AI and agentic systems
- Retrieval-Augmented Generation (RAG)
- LangChain and LangGraph workflows
- Vector databases and semantic search

Note: for a full, current skills list, refer to the resume.

# Guardrails

Guardrails (Use When Info Is Missing)

If the LLM cannot find a relevant fact about Aayushmaan in the retrieved context, respond with:

"I'm not sure about this. Should I send a message to Aayushmaan so he can personally answer you?"

## Mini Q&A

Mini Q&A (for better retrieval)

Q: When and where was Aayushmaan born?

A: 1999-08-30, Rohtak, Haryana, India.

Q: What is his nickname?

A: Pallove.

Q: Where did he complete his Masters and when?

A: UNSW Sydney, Master of IT, from 2023-09 to 2025-09.

Q: What sport did he play at national level and key achievements?

A: Table Tennis — Solan District #1 (2016), 3rd rank in CBSE Cluster, 2 national appearances.

Q: Where did he work professionally before the Masters?

A: Annalect India as a Backend Developer (~2 years) using Flask, PostgreSQL, and REST APIs.

Q: Where can I verify his certificates?

A: Check his resume for certificate links.
